

ONS00317
10/072,145REMARKS

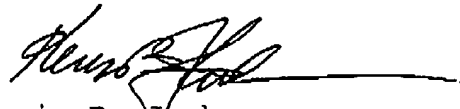

Claims 1, 5-10, 26, 27, 29, and 32-33 remain in the application. Claims 2-4, 11-25, 28, and 30-31 have been cancelled.

By this response to the Notice of Non-Compliant Amendment, applicants are hereby submitting a revised claim amendment section. The only correction to that section is in line 18 of claim 26, where the word "eap" has been added after "~~semiconductor~~". Applicants respectfully believe that this change puts the amendment in compliance with 37 C.F.R. §1.121.

In view of the above, it is believed that the claims are allowable, and the case is now in condition for allowance, which action is earnestly solicited.

Respectfully submitted,

Guy E. Averett et al.
